Welcome to Grevya

Grevya builds AI-first products for enterprises from our offices in Bengaluru, Chennai and Hyderabad. This handbook brings together the essentials of working here. It is a guide, not a contract; where it differs from a specific policy, the policy prevails.

Our values

- Customer first: we earn trust by solving real problems.
- Own it: we take responsibility from idea to outcome.
- Learn fast: we experiment, measure and share what we learn.
- Respect always: we disagree openly and kindly.
