Information Security Policy

Category: IT | Version 2.2 | Effective 01 Feb 2026

Acceptable use, passwords, devices, data classification and incident reporting.

Owner: People Success team, Grevya Technologies Pvt. Ltd., Bengaluru

Classification: Internal. Do not share outside Grevya without approval from HR.

Scope

This policy applies to everyone who uses Grevya systems, devices or data, including employees, interns and contractors.

Accounts and passwords

- Use Single Sign-On with multi-factor authentication for every company application.
- Passwords must be at least 12 characters and must never be shared or reused across services.
- Use the company password manager to store credentials.

Devices

Only company-managed laptops may access customer data. Devices must have disk encryption, automatic screen lock after 5 minutes and up-to-date security patches. Report a lost or stolen device to IT within 1 hour.

Data classification

Grevya data is classified as Public, Internal, Confidential or Restricted. Customer data and employee personal data are Restricted: store them only in approved systems, never download them to personal devices, and share them only with people who need them for their role.

Reporting incidents

Report suspected phishing, malware, data leaks or unauthorised access to security@grevya.com or the #security Slack channel immediately and within 1 hour at most. Do not try to investigate on your own.

Compliance and exceptions

Violations of this policy may lead to disciplinary action up to and including termination of employment, in line with the Grevya Code of Conduct and applicable law.

Exceptions must be approved in writing by the People Success team and the relevant function head. Approved exceptions are recorded in People Success and reviewed annually.

Review and contact

This policy is reviewed at least once a year by the People Success team. Questions can be raised through More Apps > HR Helpdesk in the People Success portal or by writing to people@grevya.com.
