Owner: People Success team, Grevya Technologies Pvt. Ltd., Bengaluru

Classification: Internal. Do not share outside Grevya without approval from HR.

Purpose

Grevya follows a hybrid model. This policy sets out when employees may work remotely and what we expect from each other to stay productive, connected and secure.

Eligibility

Employees who have completed their probation may work remotely for up to 2 days a week in agreement with their manager. Longer remote periods, for example for family reasons or relocation, need approval from the function head and the People Success team.

Working hours and availability

Core collaboration hours are 11:00 to 17:00 IST. Be reachable on Slack and your phone during these hours, keep your calendar up to date and join meetings with video where possible.

- Punch in through Attendance > Remote Check-in with a live selfie and location.
- Mark planned remote days on the team calendar at least a day in advance.
- Attend in person when your manager calls a team day or client visit.

Equipment and security

Grevya provides a laptop and a one-time home-office allowance of Rs. 10,000. Work only on company devices, connect through the corporate VPN and never use public Wi-Fi without the VPN. Lock your screen whenever you step away.

Health and wellbeing

Set up an ergonomic workspace, take regular breaks and switch off after work. Talk to your manager or the People Success team if remote work is affecting your wellbeing.

Compliance and exceptions

Violations of this policy may lead to disciplinary action up to and including termination of employment, in line with the Grevya Code of Conduct and applicable law.

Exceptions must be approved in writing by the People Success team and the relevant function head. Approved exceptions are recorded in People Success and reviewed annually.

Review and contact

This policy is reviewed at least once a year by the People Success team. Questions can be raised through More Apps > HR Helpdesk in the People Success portal or by writing to people@grevya.com.
